Anchor Oyster Bar
EST.  1977

Welcome to Anchor Oyster Bar!

Since 1977, Anchor Oyster Bar has been serving the freshest seafood made with recipes passed down through generations. I come from a long line of pasta makers and fishermen from Amalfi, Italy. My grandfather, Nicola, came here to work the salmon and crab boats and soon opened a small oyster bar in North Beach that was lost in the 1906 Earthquake. My father, Frank, introduced me to the best seafood restaurants and seafood markets in town and this menu reflects my culinary memories growing up in this beautiful city. For the past 40 years I have been honored to host people from all over the world and today we are an official Landmark Legacy awarded by the City of San Francisco. You can imagine my pride and it's all because of you, my guests, my colleagues and friends. Much love and dedication goes into what Anchor Oyster Bar is today, and I hope that when you leave here you feel you have had a true San Francisco Seafood experience.
